At Gypsy Blood Dive our goal continues to be the best "Full-Service" Dive Charter Operation anywhere. All dive trips are aboard the 2003, USCG certified and inspected, 50 foot Evans custom dive boat. Designed by divers for divers, with features that include Head with shower, a fresh water wash down, room for all your equipment and powered by twin 450HP Cummins Diesel engines for a cruising speed of well over 20 knots.

Gypsyblood is docked at the Southside Marina in Point Pleasant, New Jersey.

The GypsyBlood is equipped with the latest in electronics, first-aid, oxygen, and life rafts for your safety and peace of mind.

The GypsyBlood sails to some of the greatest dive locations in the North Atlantic. From the fabulous artificial reef system to the many maritime stories told by the high seas disasters of shipwrecks. Of special interest are those ships that fell victim to the German U-boat fleet during both World Wars that have their own unique stories to tell.

All of which are home to abundant sea life, especially our favorite, Lobster!

We offer individual rates as well as special group rates for Dive Clubs and Dive Shops please e-mail us or call for details (973-949-4599).

Our sole mission is to deliver a safe, enjoyable dive experience with a highly qualified crew, to bring you back again and again.
